TABLE OF CONTENTS

LIMITATION.....4

Limitation

BrainSphere P10/P130 F7 onboard RAID function can support both onboard SATA (Including HDD and SSD) and onboard M.2 NVMe.

The onboard RAID function with onboard M.2 NVMe can only support Intel M.2 NVMe. The onboard RAID function with onboard SATA does not have such limitation.

Controller	Onboard RAID function	Drive brand	
		Intel	Others
Onboard SATA	Enabled	Yes	Yes
	Disabled	Yes	Yes
Onboard M.2 NVMe	Enabled	Yes	NO
	Disabled	Yes	Yes
